EDUCATION

There is no doubt that the future of our State will and must greatly depend upon the type of education we give to our children and the way in which we bring them up as future citizens of Pakistan.

DIRECTOR'S MESSAGE

All praise and gratitude to Allah (SWT), who has blessed the ACME team with endless opportunities, countless blessings and boundless favours. We are also grateful to the myriad of people, including the pioneers, admin staff, and teachers who contributed to a successful journey of excellence.

We struggled together for the pleasure of Allah (SWT) which made every moment and every effort priceless. Special thanks to ACME parents for their constant support and unfaltering cooperation.

May Allah (SWT) sanctify the vision of ACME to touch many more lives. Thorough understanding is the harmonious convergence of physical, mental and spiritual abilities. Therefore, at ACME, we have an especially designed environment where students are appreciated to think critically, learn to work independently while moving forward on the avenue of learning and development. Our primary objective at ACME is to ensure a congenial environment for our students, which is safe and conducive to their academic learning and overall character development. Alhamdulillah! ACME has purpose built campuses, spacious classrooms, well-resourced libraries and fully equipped laboratories and welcoming atmosphere. Our faculty and staff are distinguished through their expertise, professionalism and dedication to teaching.

We believe in quality education to be most effective and beneficial which requires a joint effort and collaboration between school staff, parents, students and community. With the help of Allah Almighty and the support of parent and community we aim to make ACME a trendsetter in college education.

Majid Afzal Ghazi

PRINCIPAL'S MESSAGE

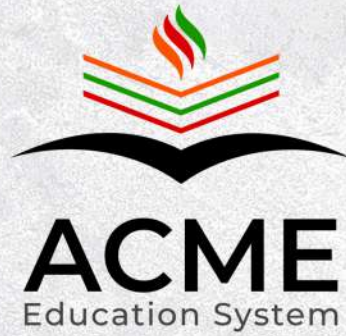

Welcome to ACME College of Science & Commerce, where excellence meets innovation. As the principal, I am delighted to introduce you to an institution dedicated to fostering academic brilliance, holistic development, and global readiness. Our college is distinguished by a highly qualified and dedicated faculty who not only educate but mentor students, inspiring them to achieve their academic goals and beyond.

ACME College features state-of-the-art facilities, including modern classrooms, well-equipped laboratories, and extensive library resources. Our campus is designed to support innovative teaching methods and cutting-edge research, ensuring students have access to the best resources available.

Beyond academics, ACME College offers a vibrant campus life with a variety of extracurricular activities. From sports and arts to clubs and societies, students have numerous opportunities to explore their interests and develop new skills. Our campus fosters a dynamic community where students can connect, form lasting friendships, and create unforgettable memories.

Join us in our pursuit of knowledge, growth, and success. We look forward to welcoming you to our esteemed community and supporting you on your educational journey. Together, we will build a brighter future for all.

Abdul Ghaffar Abbasi

ACME

Apex of Creative and Modern Education

At ACME Education System, our vision and mission drive innovation, integrity, and holistic growth in education and beyond, positioning us as leaders in creative and modern education and fostering a future of excellence.

ACME COLLEGE

of Science & Commerce

ACME College, a new addition to the educational landscape of the Twin Cities, envisages to expanding its institutions nationwide. We believe in going beyond the traditional confines of education where our students' personalities, ensuring they emerge as highly productive members of society. How we plan to achieve this?

Firstly, through a diverse range of extracurricular activities i.e. sports, arts, debating and community services. We provide opportunities for students to explore their interests and passions outside the classroom.

Secondly, through mentorship programs our students have access to experienced mentors who guide them, inspire them and help them discovering their full potential to play their role in their professions with more productive manners.

And thirdly, through practical experience, we believe in learning by doing. Internships, projects and real-world experience provide our students with invaluable hands-on experience that prepares them for the challenges of the contemporary world.

At ACME College, we don't just educate the students rather we empower them to dream big, to think critically, and to make a difference. Together, let's embark on this journey of growth, discovery and success.

1 Leadership

Our institute cultivates leadership by empowering students to take initiative and drive positive change. Through a variety of leadership programs and activities, we prepare our students to become influential leaders in their respective fields.

2 Determination

We instill determination in our students by encouraging persistence and resilience. Our rigorous curriculum and supportive environment help students overcome challenges and achieve their academics and personal goals.

3 Discipline

Discipline is the cornerstone of success at our institute. We emphasize the importance of time management, responsibility, and self-control, ensuring that students develop the habits necessary for lifelong success.

4 Optimism

Optimism fuels the innovative spirit at our institute. We inspire students to approach problems with a positive mindset and to see opportunities in every challenge, fostering a culture of creativity and forward-thinking.

5 Innovation

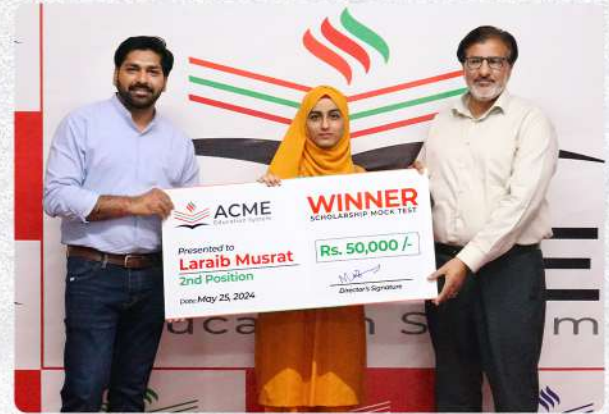

Innovation is at the heart of our educational philosophy. We encourage students to think outside the box and provide them with the tools and resources to turn their creative ideas into reality, preparing them for the ever-evolving world.

6 Inspiration

Our institute is a hub of inspiration, where students are motivated to reach their highest potential. Through exposure to industry leaders, guest lectures, and collaborative projects, we inspire our students to dream big and achieve greatness.

LIFE AT ACME

LIFE AT ACME

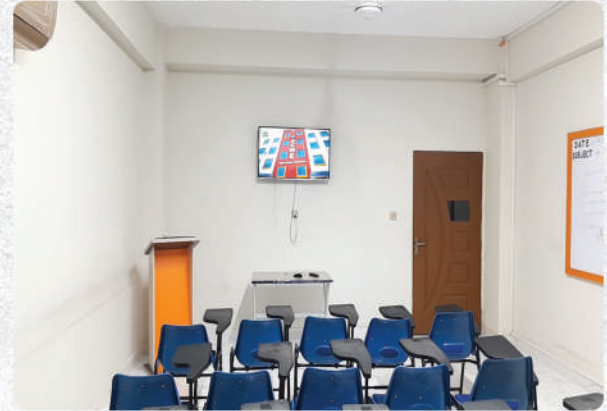

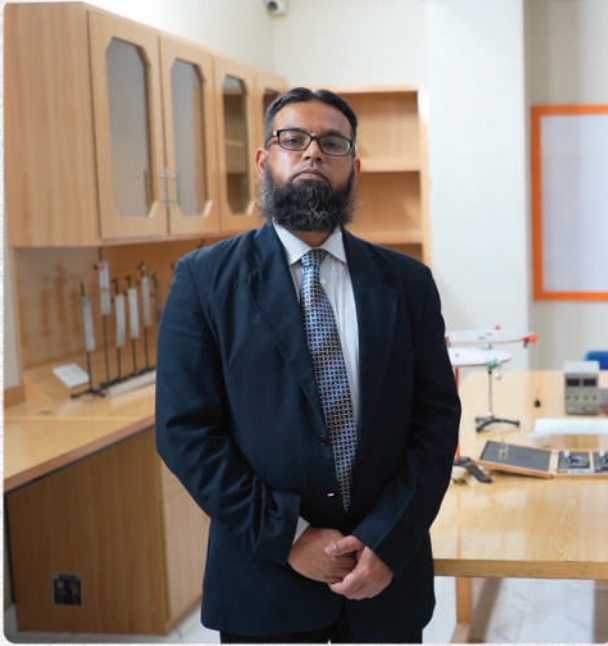

INFRASTRUCTURE

INFRASTRUCTURE

INFRASTRUCTURE

TOP-TIER INFRASTRUCTURE FOR ACADEMIC SUCCESS

ACME Education System offers a state-of-the-art infrastructure designed to enhance the learning experience. Our purpose-built building features spacious, well-lit, and air-conditioned classrooms. Advanced laboratories, including fully equipped science and computer labs, provide hands-on experience. Additionally, our extensive library, dedicated study areas, recreational facilities, and a cafeteria serving nutritious meals ensure students have access to comprehensive resources. At Acme, we are committed to creating an environment that supports academic, social, and personal growth.

WHY ACME IS THE FIRST CHOICE?

1 Best Academics

Well researched and well supervised academic activities having a comprehensive revision and test system where each student get exclusive attention of the subject teacher.

2 Experienced Faculty

We have properly qualified and experienced faculty dedicated to deliver the knowledge while using the modern technologies.

3 Parental Involvement

We actively encourage parents to participate in College activities and stay informed about their child's progress. By maintaining open communication between parents, teachers, and students, we create a collaborative community that promotes student achievement and well-being.

4 Life At ACME

Life at ACME College is vibrant and enriching, offering students a dynamic blend of academic rigor and extracurricular activities within a highly conducive environment grounded in Islamic values. Our campus fosters a close knit community where students can engage in various clubs, sports, and cultural events, creating lifelong memories and friendships. With access to state-of-the-art facilities and a supportive faculty, students at ACME are empowered to explore their passions and achieve their full potential while upholding strong ethical and moral principles.

5 Assessment and Feedback

Feedback and assessment are crucial components of the teaching-learning process, and we have a comprehensive system in place to share feedback with both parents and students, covering academic performance, overall conduct, and participation in co-curricular activities.

6 Small Classrooms with Optimal Size

We prefer personalized learning by maintaining small classroom size, typically accommodating 25-30 students. This optimal class size fosters a conducive learning environment where students receive exclusive attention from professors and actively participate in discussions. This approach not only enhances understanding and academic performance but also strengthens student-teacher relationships, ensuring a supportive and engaging educational experience.

7 Islamic Values Integration

Is a distinct feature of ACME. We conduct regular workshops and seminars on topics such as ethical decision-making, leadership, and personal development from an Islamic perspective, helping students apply these values in their daily lives.

8 Personality Development

Personality development focuses on enhancing an individual's character, behavior, and interpersonal skills to foster personal and professional growth. It involves building self-confidence, emotional intelligence, and effective communication abilities. By investing in personality development, individuals can achieve greater success and fulfillment in both their personal and professional lives.

9 In-House Curriculum & Resource Development

In-house curriculum and resource development involve creating tailored educational materials and programs that reflect our institution's unique values and objectives. By developing resources internally, we can continuously adapt and improve the curriculum to meet the evolving needs of our students and community.
